Notes from 1/18/2023
Monroe County Board of Commissioners Work Session
Presented by Commander Kyle Gibbons

- **Adopted** an approach based on treating people in the jail humanely to avoid further trauma that might put them back in the cycle of crime, or, as Gibbons put it, "Appeal to human nature to **reduce recidivism**"
- **Changed** the hours of lockdown from 23 X 1 hours of lockdown to 23:45am - 5:45am and
 - during formal head count
 - during meals - Planning to move meals outside of cells
- **Mentioned** a desire to open a new block for people with "Altered Mental Status" (to avoid psych lockdowns). Currently there is a mental health care provider 80 hours/week.
